# BEAUTIFY & PROTECT
YOUR CONCRETE & MASONRY SURFACES

## CLEANERS

- **Heavy Duty Cleaner**
  - Cleans grease, oil and stains on concrete, brick and masonry
  - 
  - 
  - 
  #5582478 GALLON

- **Efflorescence Remover**
  - Removes white, chalky residue and mild rust stains
  - 
  - 
  - 
  #5582479 GALLON

- **Concrete Hardener**
  - Permanently improves durability of concrete by creating a barrier against water
  - 
  - 
  - 
  #5582458 GALLON

## WATER-BASED CONCRETE SEALERS

- **Wet Look Concrete Sealer**
  - High gloss appearance
  - Protects surfaces from chemicals and stains
  - For use on driveways, walkways and patios
  - 
  - 
  - 
  #5539278 GALLON

- **Natural Look Concrete Sealer**
  - Low gloss appearance
  - Protects surfaces from chemicals and stains
  - For use on driveways, walkways and patios
  - 
  - 
  - 
  #5539279 GALLON

- **Penetrating Concrete Sealer**
  - Invisible appearance
  - Protects surfaces from chemicals and stains
  - For use on driveways, walkways and patios
  - 
  - 
  - 
  #5582470 GALLON

## SOLVENT-BASED CONCRETE SEALERS

- **Low Gloss Wet Look**
  - Protects concrete and masonry from chemicals and stains
  - Superior water repellency
  - For use on driveways, walkways and patios
  - 
  - 
  -
  #5582446 GALLON

- **High Gloss Wet Look**
  - Protects concrete and masonry from chemicals and stains
  - Superior water repellency
  - For use on driveways, walkways and patios
  - 
  - 
  -
  #5582445 GALLON

## SPECIALTY CONCRETE SEALERS

- **Paver Lock**
  - Locks down the joint sand
  - Enhances the appearance of the paver
  - Excellent water repellency
  - 
  -
  #5582454 GALLON

- **Elite Sealer**
  - For use on marble, stone, granite and slate
  - Ensures protection against water, oil, dirt and stains
  - Seals and penetrates while maintaining original appearance
  -

Our Guarantee

Midwest Manufacturing is dedicated to offering the highest quality concrete products to all of our guests. All of our interlocking concrete pavers, retaining wall blocks, and masonry blocks meet or exceed ASTM C-936, ASTM C1634-09/C55-09, ASTM C-1372, and ASTM C-90 specifications, respectively. Midwest Manufacturing guarantees its concrete products against manufacturing defects for as long as you own your home. This guarantee will be honored with proof of purchase. Midwest Manufacturing takes pride in offering our products to the professional installer and “do-it-yourself-er”.

We do not require professional installation, however we do recommend it. Basic installation practices, available at www.midwestmanufacturing.com, must be followed. Midwest Manufacturing’s obligation is limited to replacement of the defective product only. Midwest Manufacturing will not be responsible for lost time, replacement labor, or any other commensurate costs associated with replacement. The guarantee does not apply to product damage caused by impact, improper installation, excessive load, or salt application. Color matching cannot be guaranteed. Efflorescence is a natural and temporary occurrence – Midwest Manufacturing cannot be held responsible.

Please Note

- Not all blocks are stocked in all locations.
- All block sizes given are actual; sizes may vary within a given tolerance.
- Some items are only available special order.
- Every effort has been made to ensure accuracy in the color representations found in this literature. However, due to the natural characteristics of concrete, actual colors may vary slightly. We recommend viewing the actual product while making your decisions.
- It is recommended that you purchase enough material to complete your entire project. Color will vary slightly from lot to lot, so materials purchased at a later date may not be a perfect color match.
- Hazy white or chalky looking surfaces are due to efflorescence. Efflorescence is a natural process which can occur as concrete cures. Efflorescence is temporary and not considered a manufacturing defect.
